PROJECTS

Genere Natus – Official site for Genere Natus,a club promoting underground street racing but in a safe manner.

Genere Natus Meetup Locations – This gives out a list of three locations on where the meets will be held at. One can also add locations that they've found and want to go throughout the night.

Yuri Meals – You can order from our very limited food options where when ready to place an order you are requested to input your information for delivery where it is then received at a firebase realtime database.
